

Create a Structured and Efficient Employee Onboarding Process Using emSigner

After all the effort and investment into acquiring new employees, your work has just begun. To build a great relationship with your new hires, you need to start by creating an excellent first impression. And the best way to accomplish this objective is by digitizing and creating well-choreographed workflow for employee onboarding process using emSigner, eMudhra's new-age paperless office solution. Using this innovative solution companies can quickly automate the workflows and include provisions to electronically sign the documents using legally valid e-Signatures or Digital Signature Certificates, thereby ensuring that there is no paper-trail in the underlying process.

Here are some of the key benefits of using our pioneering digital signing and workflow management solution:

- Better employee experience
- Significant monetary savings
- Reduce fraud using QR code
